

# Cellular Support Protocol\*

Objective	Product Recommendation	Dosage	Key Ingredients
Provides clinically studied boswellia standardized for acetyl-11-keto-beta-boswellic acid (AKBA) to support healthy inflammation response <sup>†</sup> and cellular function*	<b>BosPro™</b>	1 softgel daily, or as recommended by a healthcare practitioner.	Boswellia ( <i>Boswellia serrata</i> ) Gum Resin Extract (BOS-10 <sup>®</sup> ) standardized to contain ≥70% Total Organic and Boswellic Acids with AKBA ≥10%, with ≤5% beta-boswellic acids
Supports healthy inflammation response <sup>†</sup> , and protects cells from oxidative stress and free radicals with clinically studied, enhanced bioavailable curcumin*	<b>CuraPro® 375 mg</b> (Delivers a minimum of 250 mg of curcuminoids per softgel)  <b>CuraPro® 750 mg</b> (Delivers a minimum of 500 mg of curcuminoids per softgel)	1 softgel daily, or as recommended by a healthcare practitioner.  1 softgel daily, or as recommended by a healthcare practitioner.	Proprietary Complex: Curcumin ( <i>Curcuma longa</i> ) Rhizome Extract (BCM-95 <sup>®</sup> /Curcugreen <sup>®</sup> ) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), phospholipids (from sunflower lecithin), supplying 250 mg of pure curcuminoids  Proprietary Complex: Curcumin ( <i>Curcuma longa</i> ) Rhizome Extract (BCM-95 <sup>®</sup> /Curcugreen <sup>®</sup> ) enhanced with turmeric essential oil and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), phospholipids (from sunflower lecithin), supplying 500 mg of pure curcuminoids
Supports cellular protection <sup>^</sup> and healthy immune function throughout the body, and protects DNA from the risk of oxidative stress and damage*	<b>Clinical OPC<sup>®</sup></b> (French Grape Seed Extract VX1 <sup>®</sup> , 400 mg per softgel)	1 softgel daily. May take up to 3 times a day for enhanced benefits, or as recommended by a healthcare practitioner.	French Grape ( <i>Vitis vinifera</i> ) Seed Extract (VX1 <sup>®</sup> ) standardized to contain ≥99% polyphenols and ≥80% OPCs (Tannin Free)
Provides clinically studied glutathione that improves ratios of active glutathione to oxidized glutathione for healthy DNA replication*	<b>Clinical Glutathione™</b>	2 tablets daily. One tablet in a.m. and one tablet in the p.m., or as recommended by a healthcare practitioner. Tablet should be held in mouth and allowed to dissolve before swallowing for optimal results.	L-Glutathione (Reduced Active Form)
Supports brain, nerve, and heart health, and provides cellular protection throughout the body from risk of oxidative stress and damage*	<b>CoQ10 Chewable 100 mg</b> (with GammaSorb™ for 8 times higher absorption <sup>^^</sup> )	1 chewable tablet daily, or as recommended by a healthcare practitioner.	Enhanced Absorption Complex: Gamma Cyclodextrin-Coenzyme Q10 Providing 100 mg of CoQ10 (ubiquinone)
