BCM-95[®] Enhanced Absorption Curcumin

- Blended with turmeric oil for superior absorption
- More curcumin per dose—up to 500 times stronger than turmeric[~]
- Clinically tested, safe, and proven in top research

BOS-10[®] Boswellia

- High-AKBA (acetyl-11-keto-β-boswellic acid) boswellia extract
- Clinically researched—used in studies around the world
- Screens out undesirable β-boswellic acid to less than 5%

[†]Occasional muscle pain or inflammation due to exercise or overuse. [~]Based on enhanced absorption of CuraPro curcumin versus an equivalent weight of standard curcumin containing 2% curcuminoids.
